

Benson Shop with a Cop, Inc

Benson Shop with a Cop had its inception December 2010 and after a successful event last year, we look forward to our **Tenth** year being held December 7, 2019.

Shop with a Cop has been in existence since the early 1990's, and Benson's at-risk, underprivileged children have benefited from this event that the community generously donates to. The first year we had 18 children, and last year 40 children created memories. We hope to continue with 35-40 children annually, but we can only accomplish this if our community opens its hearts and pocketbooks to make this happen. We are seeking financial and in-kind support from local organizations, businesses, churches and individuals to help children from our community. All contributions and grants will be publicly acknowledged through local media and our web site unless you direct us to show you as Anonymous.

All donations are tax deductible through our 501 (c) 3 corporation and appropriate documentation for your records will be provided. All proceeds go directly to the program. There are no management overhead costs.

With the economic climate being what it is, many children in our community may not have a Christmas without our help. These children are first selected if they have encountered or witnessed a negative contact with law enforcement through a parent or sibling's involvement in the Justice System. These children are chosen in hopes that any negative feelings or fears they may have can be replaced with something positive.

Anything you would be willing to donate would be truly appreciated by us and the children this program supports.

If you have questions, please feel free to contact Kierstin Kessler, Executive Director at 520-559-4596 , or bensonswac@gmail.com.

Sincerely,

Kierstin Kessler, Executive Director
